The family deductible and out-of-pocket limit are embedded, meaning the cost shares of one family member will be applied to the per person deductible and per person out-of-pocket limit; in addition, amounts for all covered family members apply to both the family deductible and family out-of-pocket limit. No one member will pay more than the per person deductible or per person out-of-pocket limit.

All medical and prescription drug deductibles, copayments and coinsurance apply to the out-of-pocket limit (excluding Non-Network Human Organ and Tissue Transplant (HOTT) services).

In-Network and Non-Network deductibles and out-of-pocket limit amounts are not separate and do accumulate toward each other.

- The Primary Care Physician and Specialist office visit copay applies to both office and facility based office visits for evaluation and management services only.
- Costs may vary by the site of service. Other cost shares may apply depending on services provided. Check your Certificate of Coverage for details.
